PROFESSIONAL SUMMARY

B.A.LL.B. (Hons.) graduate and junior legal professional with 1+ year of experience across in-house corporate law, LPO, and litigation. Specialises in commercial contract drafting, review, and lifecycle management covering NDAs, MSAs, SaaS agreements, DPAs, Reseller, and Distribution agreements. Experienced in GDPR and UK GDPR compliance, data privacy policy development, and EU regulatory frameworks. Proficient in AI-assisted legal review tools to accelerate turnaround and improve risk identification. Targeting Corporate Legal Associate, Contract Management, or Data Privacy roles within MNC or technology-driven legal teams.

SKILLS

- **Contract Management:** Contract Drafting, Review & Negotiation · NDA · MSA · SaaS Agreement · DPA · Reseller & Distribution Agreements · CLM · Clause Analysis · Fallback Drafting · Redlining · Execution Tracking
- **Data Privacy & GDPR:** GDPR · UK GDPR · Data Privacy Policy · DPA Drafting · Controller-Processor Obligations · Data Subject Rights · Lawful Basis of Processing · SCCs · Cross-Border Data Transfers · EU Regulatory Compliance
- **Legal & Regulatory:** Legal Risk Assessment · Antitrust & Competition Law Review · S2P Workflow · Legal Research · Stakeholder Management · LPO Document Review · Civil & Criminal Litigation
- **Legal Technology:** AI-Assisted Review (ChatGPT, Claude) · CLM Systems (Icertis – Foundational) · Legal Document Automation · MS Office Suite

PROFESSIONAL EXPERIENCE

Junior Legal Counsel | Teceze Consultancy Services Ltd | Chennai

Oct 2025 – Feb 2026

In-house corporate legal — Contract Management, Data Privacy, CLM

- Managed end-to-end NDA lifecycle (drafting, review, negotiation, execution tracking) across multiple counterparty engagements, reducing approval bottlenecks through structured CLM workflows.
- Reviewed and negotiated MSAs, SaaS, Reseller, and Distribution agreements; identified high-risk clauses and proposed fallback positions aligned with company risk appetite.
- Independently drafted the Company Data Privacy Policy, aligning it with GDPR controller obligations, data subject rights, lawful bases of processing, and data retention standards.
- Drafted and reviewed DPAs; advised on controller-processor obligations, SCCs, and cross-border data transfer mechanisms under GDPR and UK GDPR.
- Deployed AI-assisted contract review (ChatGPT, Claude) for clause-level risk flagging, improving turnaround efficiency and enabling standardised risk reporting for senior counsel.
- Collaborated with procurement, sales, and compliance teams within S2P workflows to streamline contract initiation, approval routing, and execution.

Legal Executive – QC Reviewer | Quislex Legal Services (LPO) | Hyderabad

May 2025 – Aug 2025

Legal Process Outsourcing — Antitrust document review and quality control

- Performed Quality Control review of large-volume legal document sets, ensuring accuracy and compliance with antitrust and competition law standards within SLA timelines.
- Identified anti-competitive clauses across document batches and prepared structured client-facing summary reports to support regulatory review and matter strategy.

Advocate | District Court of Villupuram | Tamil Nadu

Jan 2024 – Apr 2025

Independent litigation practice — Civil and criminal matters, District Court

- Represented clients in civil and criminal matters (property, contract, NI Act); managed full case lifecycle from client intake through court appearances and post-hearing documentation.

- Drafted complaints, affidavits, written statements, and petitions; conducted case law research to build legal arguments and ensure procedural compliance.
- Maintained case trackers and court schedules in coordination with senior advocates, ensuring timely filing and document management across active matters.

EDUCATION

B.A.LL.B. (Hons.) — SRM School of Law, Chennai

2019 – 2024

Aggregate: 70.11% | Specialisation: Corporate and Commercial Law

- Internship — Bellatrix Corp (May–Jun 2022): Assisted in drafting service and vendor contracts; conducted research on IP rights and corporate compliance.
- Volunteered in Free Legal Aid Campaign providing legal awareness and assistance to underprivileged communities.

CERTIFICATIONS

- **U.S. Contract Drafting & Paralegal Studies** — LawSikho
- **International Contract Negotiation & Enforcement** — LawSikho
- **Advanced Contract Drafting & Negotiation** — LawSikho
- **Legal Communication — Oratory, Writing & Accuracy** — LawSikho
- **AI in Legal Careers** — LawSikho

KEY PROJECTS & INITIATIVES

- **Company Data Privacy Policy (Teceze):** Authored the organisation's GDPR-compliant Data Privacy Policy covering controller obligations, data subject rights, lawful bases of processing, and retention schedules; adopted as the governing data protection framework.
- **AI-Augmented Contract Review Framework (Teceze):** Designed and deployed a structured AI-assisted review workflow (ChatGPT, Claude) for clause-level risk flagging across NDA, MSA, and SaaS agreements, producing standardised risk escalation reports for senior counsel.
